

**Compare WIZwireless month plans with two other rural providers (costs over two years)**  
**(All prices are excl GST unless stated) NB None of these plans include UPS which is recommended by all providers**

**1. WIZwireless**

[http://www.wizbiz.co.nz/broadband\\_pricing.html](http://www.wizbiz.co.nz/broadband_pricing.html)

**In Summary WIZwireless Internet Plans**

You must subscribe to our "Starter Plan" as a minimum connection package. Once you have this monthly plan, you can then add further packages. "Starter Plan" is 1GB and 512K/512kbps. All plans are 24 month term and termination fee applies.

Plan	Design Speed	Monthly Data Cap	Monthly Plan Charge
Starter Plan	512K/512K	1 Gig	\$62

So for just \$1 extra\*\* per day you too can have a broadband connection at home (\*\*compared to Telecom's basic ADSL connection and this is much faster. Valid at time of publication)

You want more speed and/or data then choose one of our additional data plans to add to your "Starter Plan"

Plan	Design Speed	Monthly Data Cap	Additional Data plan
Starter Plan Boost	3Meg/3Meg	1 Gig	\$36
Standard Plan - 3	3Meg/3Meg	3 Gigs	\$45
Standard Plan - 5	3Meg/3Meg	5 Gigs	\$50
Standard Plan - 10	3Meg/3Meg	10 Gigs	\$80

All connections are **self install** - cost is **\$150 excl GST** to configure the radio equipment and prepare the necessary cable length, but you can choose to have one of our expert installers to do it for you. Labour installation contribution \$400 excl GST - (Installations outside of Central Wairarapa is additional \$200 excl GST towards travel)

**Standard Plan rental option including labour contribution - over 2 years \$1,888 excl GST (\$62\*24)+\$400**

**2. Farmside current satellite deal**

<http://www.farmside.co.nz/>

**\$298.90 excl GST for installation**

**Additional \$10 excl GST per month for non partners**

Contract for two years, termination fee apply.

Farmside offers many satellite / wireless plans. Refer to their website for latest details

**Discovery plan** is the closest to our starter plan is 1GB data and 512kbps download/128kbps upload and has 0.15c/MB overage charge

Monthly plan normally \$89.95 excl for Farmside's Partners otherwise \$99.95 excl

	Data Allow-ance	Speed (Down/Upload)	Std Mthly Price	Partner Mthly Price
<b>Discovery</b>	1GB	512/128Kbps	\$99.95*	\$89.95*
<b>Voyager</b>	2GB	1000/256Kbps	\$119.95*	\$109.95*
<b>Pioneer</b>	3GB	2000/512Kbps	\$209.95	\$199.95*

Plans currently available (info from web site):

Total **special deal** for Farmside Partners over two years **\$2,457.70 excl GST (non Farmside Partners \$2,697.70 excl GST) (ie Farmside Partner [\$89.95\*24]+298.90)**

**i.e. \$569.70 more than WIZwireless Starter Plan** as currently advertised and then prices may change in the future. **(and less speed than our WIZwireless Starter Plan )**

**3. Orcon Rural Broadband**

Available in some Northern areas of our Region

Costs for Orcon wireless service

<http://www.orcon.net.nz/home/rural>

Text taken from Orcon web site:

Please note that if you live 50km away from the base station you will be liable for extra mileage costs. Extra mileage is \$1/km.

The equipment and installation for Rural Broadband is subsidised to reduce your set up costs and because of that a \$499 disconnection fee applies if you cancel your Orcon Rural Broadband connection within 24 months.

Design Speed is best endeavours, Internet performance may vary.

A 24 month term applies to all Plans

- 256 kbps download and 128 kbps upload speed ([upgradeable](#))
- Includes 1GB of broadband data ([upgradeable with great value data bundles](#))
- \$5 per GB for any additional data used
- \$449 installation fee – includes a site visit and everything you need to get you up and running 24 month contract and early disconnection fee applies

**i.e. Rural Broadband Plan is \$1,727.93 excl GST which is \$160. 07 less than WIZwireless Starter Plan but much less speed than our WIZwireless Starter Plan**
